

**Word notes Sunday 22/11/09 Helen Parker  
CAP Sunday**

**Bible Study** – take the group through these sections, give them a chance to discuss and fill in the boxes in pairs or threes then discuss as a group.

**Why does God urge us to help the poor so much?**

**Read the following verses**

**Exodus 23 v 10 – 11**

**Leviticus 19 v 9-11**

**Deuteronomy 14 v 28 – 29**

This was law spoken to agricultural people, what message is God giving (that is still just as relevant to us today?)

**In the early church much was said about caring for the poor. Read:**

**Luke 12 v 32-34**

**Galatians 2 v 10**

**1 John 3 v 16-18**

How can we work this out as individuals and as a church?
