Ully-Lange Orobor for Compassion UK

Key Text: Galatians 6:9, Matthew 19:16-26

The needs of the world seem impossibly big, how can Christians respond? In the economy of God small things get multiplied – remember the packed lunch that grew in John 6! Richmond's story told in the video Ully shared was of one family that sponsored him for less than £1 a day and now he is running a training centre for church pastors – that is an amazing return on such a small investment.

So don't give up on doing good – however small.

Study & Application

What was the real point of Jesus direction to the rich young ruler – that he give everything up to qualify for the Kingdom or something much deeper?

What might that be?

How do you see this working in your own life?

Review all the things you know that are happening in NCC to "do good". What immediate effect do these things have on lives? What might they accomplish in the futures of those who are helped?

Have you ever wondered what God has for you to do? What might be stopping you?

Prayer

God's plans are for good – for those we help and for us. Pray for the projects you or others in your group are involved in. Encourage each other.
