Melanie Moore: Body Builders - Worship

**Key Text: THE BIBLE!**

No, seriously: worship is mentioned repeatedly through the Bible, more than 8,600 times. Scripture describes God's relationship with Mankind, our forming, meaning and ultimate purpose is to worship The LORD our God. If I were to pick a couple of key scriptures it would be John 4:21-24 and Rev 7:9-11, but that's from a number that are deeply significant to me – let alone your choice.

Melanie preached on the Who, What, When, Why and Where of worship with passion and clarity, please listen to the podcast if you missed it.

**Small Group discussion**

Our response to God's great love is to worship. I suggest this week that small groups do exactly that – so make space for extra worship. In whatever way that works for your group come into God's presence then go all-out in worship. Encourage each member to think ahead of the meeting and bring something of their worship to uplift and encourage each other. Remember – it's about Him not me, for His glory not mine, and to humbly ascribe all honour power, glory and majesty to the Living God who created all things yet loves each of us totally.
