Tony Hodge: Disciple 3 - Learning for Living

Luke 11:1-13

Jesus' teaching on prayer is an excellent model in the form or words we probably know very well – is there more we can learn from this passage? Perhaps the most important lesson is to ask. The passage starts with the disciples asking Jesus to teach them how to pray and ends with Jesus' assurance that if we ask we will receive – especially if we ask Father for the Holy Spirit. Is our attitude then the most important point – to be a disciple do you have to admit you don't have it all, be ready to ask and be teachable?

Ask yourself these questions and seek answers in your small groups:

- 1) Who are you hanging out with? Who is modelling life for you?
- 2) Are you finding teaching that makes sense, that you can understand?
- 3) Are you seeking out practical teaching that helps you to grow, not just teaching that makes you feel clever and knowledgeable?

Prayer

In prayer ask Father for each other's needs.
