Word Notes: Sunday 29/09/19

Still Standing: Where are we headed?

On Sunday morning, we looked at Numbers 13-14, reflecting on the different thoughts and feelings each of us might have as we look at challenges ahead.

Our plan for this year is in three phases:

1. Starting with a strong source – The Bible Course. This will run either side of Christmas and equips us with a solid understanding of God's word.
2. Growing our strength through specific discipleship courses – These courses will run in the late spring and will be a chance for us to commit to growing in specific areas that may have been on our hearts for some time.
3. In the strength God has given us, reaching out in our community. – A season where our focus is not on ourselves, but on carrying God's love and truth into our community. Who knows what God will lead us to do!

Discuss:

What excites you about the year ahead?

What makes you nervous about the year ahead?

How will your group run The Bible Course?

What areas would you like to grow in through the season of discipleship?

Small group leaders: Please come to Wider Leaders on Saturday with an idea of how your group would like to run The Bible Course, and with feedback on areas people would like to focus on in the season of discipleship.
